

EXPRESSION OF INTERESTS

Psychiatrist

Contractor

Who are we?

Centacare NENW is a leading provider of social and community services across the New England North West area of NSW. Focusing on Youth Mental Health, prevention and intervention, our organisation is currently seeking expressions of interest for a Psychiatrist to join our dynamic headspace team one day a week. We are looking for a passionate and driven individual who shares our vision of a society where all individuals are recognised for their uniqueness and are able to flourish.

Responsibilities for the Psychiatrist

- Assess and screen patients by conducting psychiatric evaluations, including interviews, medical histories, physical exams, observations, and psychological testing
- Analyse data and results of assessments to accurately diagnose patients, including but not limited to ADHD and ASD
- Prescribe and administer medications according to diagnosis/es
- Monitor patients to determine efficacy and potential side effects of medications
- Develop a treatment plan, measure progress against the plan, and make adjustments as required
- Complete all necessary clinical documentation in an accurate and timely manner
- Collaborate with a broader team of GPs, psychologists, nurses, and allied health professionals to assess and adjust treatment plans
- Coordinate and communicate with case managers and other stakeholders about treatment and care.

Mandatory Requirements

- Registration with AHPRA with a current annual practicing certificate
- Working with Children Check
- Police check
- Australian Working Rights
- Fully vaccinated (3 doses) for COVID-19 & be able to provide evidence of this.

Desirable Requirements

- Membership with The Royal Australian and New Zealand College of Psychiatrists
- Experience working with young people aged 12 – 25 years of age
- Excellent knowledge and familiarity with current DSM criteria
- Strong working knowledge of general psychiatric principles and practices
- Excellent interpersonal and communication skills, both verbal and written
- Experience working in a multidisciplinary environment
- Awareness of new developments in psychiatry and mental health, especially in relation to young people.
